

International Association of Law Enforcement Firearms Instructors, Inc.®

Presents

A Regional Training Conference

November 15 – 16, 2003

Hosted by the:

The Blackwater Training Center

Moyock, North Carolina

INSTRUCTION

Deadly Danger at Arms Length: Close Quarters Pistol Skills

Mike Boyle – Agency: New Jersey Division of Fish and Wildlife

Course Description: Statistics continue to illustrate that police officers are most vulnerable and more likely to be killed when in close proximity to their assailant. Unfortunately, traditional firearms training fails to adequately address this issue. This block of instruction will explore patterns of attack, body alarm, and survival priorities in dealing with close quarters threats. Shooting technique, movement, and the integration of empty hand and baton tactics will also be covered.

Instructors: *Captain Mike Boyle is the training officer for his department as well as a staff instructor and Range Master at the Division of Criminal Justice Academy. He also serves on the IALEFI® Board of Directors where he chairs the Regional Training Committee. Mike contributed the chapter on Police Shotgun to the book "Total Survival".*

Student requirements: Holster as worn on duty, handgun, two spare magazines/speedloaders, 250 rounds.

Pistol Skills Course

Dennis Carroll – Schaumburg Illinois Police Department

The 4 hour course will cover a variety of pistol drills to strengthen marksmanship abilities, and enhance overall pistol skills. Drills from 5 feet and out to extended distances, including movement will be used. Speed, accuracy, grip, trigger manipulation, observing front sight through recoil as it travels to proper sight alignment, and reloading skills will be emphasized. A timer will be used during this training to induce stress. Elimination skill drills will culminate the course.

Instructor – *Lt. Dennis Carroll has been a police officer for 23 years and is a certified master firearms instructor in the Illinois since 1988. Dennis holds instructor certification in revolver, pistol, shotgun, rifle and SMG. He is a certified armorer in several weapon systems. He is an instructor at the Cook County Sheriff's Training Institute and Suburban Law Enforcement Academy. He has instructed at IALEFI ATC's and RTC's.*

Bring: Pistol in good working condition. Holster, magazine pouches, 4-8 magazines, eye & ear protection with baseball hat. 500+ rounds of ammunition.

Street Intense Rifle Skills

Heide Kasser Shintani – National Rifle Association

Course description: This is a mentally and physically vigorous course which will focus on skills training in the following areas: shooting from an aggressive and flexible platform, shooting on the move, shooting at moving targets, training for multiple threats, reinforcing consistent rifle handling skills, shooting from adverse and unusual firing positions, and developing a rapid reaction response time from any position.

Instructor: Heide Shintani is a Staff Instructor for the NRA Law Enforcement Activities Division and has been involved with law enforcement and firearm training for over 15 years. She began her law enforcement career as a Special Agent with the FBI and Defense Criminal Investigative Service (DCIS). Heide holds numerous certifications in firearms training, defensive tactics, less lethal munitions, ASP baton, and Tasertron, a B.A. in Sociology, and a M.S. in Justice from American University.

Student requirements: Rifle, sling, (carry or tactical), magazines (4 rifle magazines or 6 pistol caliber carbine magazines, magazine pouch (or vest), gloves, elbow and knee pads (optional) and 800 rounds of ammunition.

GENERAL INFORMATION

- Participants are asked to report to the Blackwater Training Center located at 850 Puddin Ridge Road, Moyock, NC at 0730 on November 15th for final check-in.
- All range activities require a hat, wrap around eye protection and ear protection. The use of soft body armor during training is recommended.
- All participants who have not already done so will be required to participate in a brief IALEFI® safety check prior to any range activity.
