## Membership Application Instructions

Type or print the application form. Complete Section 2 (Active) or Section 3 (Associate), not both. Forms missing information will not be processed.

### What is IALEFI®?

The International Association of Law Enforcement Firearms Instructors, Inc.® is a membership organization organized in 1981 by a group of concerned firearms instructors. They recognized the need for a way to update and modernize the instruction and teaching techniques being used to train the majority of law enforcement officers.

It is an independent, non-profit association supported by dues and managed by a Board of Directors elected from among the active members. In a few short years, IALEFI® has grown to include in its membership law enforcement firearms instructors from federal, state, county, local, and private agencies. Additionally, foreign countries are represented from as close as our Canadian neighbors, to as far as Hong Kong. IALEFI® addresses the universal problems encountered by all professionals engaged in the field of firearms instruction.

### What are the Aims and Purposes?

As defined by the bylaws, IALEFI® was organized and is dedicated to: Encouraging the development and operation of training programs to firearms instructors among law enforcement, security, criminal justice, and investigative agencies and organizations, and encouraging the development of teaching skills among those engaged in the firearms training of public service personnel and the development and criteria for certification of law enforcement firearms instructors, and continually reviewing the needs for firearms training and encouraging the development, improvements and conduct of programs to meet those needs, and conducting an Annual Training Conference to provide members with education in the latest techniques and technologies available to the law enforcement firearms instructor.

### Membership and Eligibility

Affiliation with IALEFI® will provide you with further accreditation of a recognized organization, outside your own agency, to add to your portfolio of credentials, for the teaching of others in the critical field of firearms instruction.

### Active Membership Qualifications

Applicants for Active Membership are carefully screened to ensure that all are qualified professionals. Active members are individuals at least twenty-one (21) years of age professionally engaged in training of law enforcement, security, criminal justice and investigative agency and organization (licensed or officially recognized by their respective state or country) personnel in the use of firearms and shooting skills, or such an individual who has retired under normal retirement procedures, or has been placed on disability due to injuries or illness subject to Board review. Under exceptional circumstances, an individual less than twenty-one (21) years of age applying for active membership could, upon approval by a majority of the Board of Directors, be accepted to Active membership in the Association.

Applicants for active membership must have successfully completed an initial law enforcement firearm instructor course recognized by IALEFI® and provide a copy of the certificate of completion with the application. Documents that are unable to be verified will not be considered.

The written endorsement by the applicant's supervisor (or past supervisor for retired / disability retired applicants) is required for approval. Firearms Instructors not affiliated with an agency, must attach letter(s) or other proof that they are professionally engaged in firearms training of law enforcement, security, criminal justice, or investigative personnel.

Associate members who later qualify for Active Membership must file a new application. They will be upgraded at no cost.

### Associate Membership

Associate members are individuals at least twenty-one (21) years of age interested in furthering the aims and purposes of this organization but not meeting requirements for active status. The written endorsement of an employer or a current IALEFI® member will assist in the membership approval process.

### What do I need to do if interested?

Contact the IALEFI® office by mail or by calling 603-524-8787 or fax 603-524-8856, or [www.ialefi.com](http://www.ialefi.com).
